

GENESIS® Slide Shut-Off Part Number 50343

The optional slide shut-off can be used on the GENESIS® feeding system to stop feed flow to feed pans. The optional slide shut-off must be installed before the feed pan is assembled to the feeder tube.

Installation

1. Trim ribs from grill and feed chute.

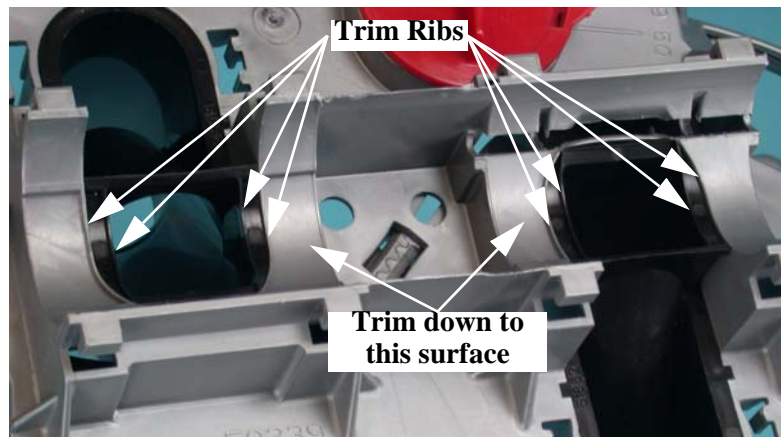

Figure 1. Trim Ribs

2. After the ribs have been trimmed from the grill and feed chute install the slide shut-off.
3. Install pan assembly to feeder tube.
4. Adjust slide to the desired position.
