

VIKE™ Aviary System for Layers

Let's grow together®

VIKE™ Aviary System

Aviary system that provides outstanding results.
Excellent overview and easy inspection.
Integrated VALEGO™ Nests.

VIKE™ Aviary System for Layers

Overview

- Multiple configurations and system widths available for optimal poultry house layout.
- Low-profile design helps system fit well in existing houses with lower ceilings and allows full visibility for easy inspection of the house.
- Optimal movement of hens through the poultry house.

VALEGO™ Integrated Nests

- Rack-Drive (RDE) Expulsion system.
- Walls and roofs from durable film-faced plywood.
- Self-cleaning AstroTurf® nest pads.*
- Egg belt options: 1 x 19.7 inches (1 x 500 mm) and 2 x 9.8 inches (2 x 250 mm).
- Eggs mislaid in the system (system eggs) can be collected automatically (optional).

*AstroTurf® is not owned or licensed by CTB, Inc. and is the sole property of its owner.

Count on Chore-Time for
experience, reliability,
performance and confidence.
